The Horseracing Integrity and Safety Authority (HISA) is responsible for drafting and enforcing uniform safety and integrity rules in thoroughbred racing in the U.S.

All racing participants, or "Covered Persons," MUST register with HISA. Trainers must also register all horses in their care.

You are a Covered Person if you are licensed by a State Racing Commission (SRC) AND:

- You have involvement with Thoroughbred Covered Horses or Covered Horse races; OR
- You have access to restricted areas of a racetrack in the ordinary course of your work.

If you have no contact with Covered Horses and you do not have access to the restricted areas of a racetrack, such as the stable area, in the ordinary course of carrying out your duties you do not have to register. Examples of persons who do not need to register include, but are not limited to: vendors of goods or services and racetrack employees or contractors who do not have access to restricted areas (i.e. food service providers, mutuel employees, etc.).

At the bottom of this section, there are three buttons: "Register as a Covered Person", "Register as a Non-Covered Person", and "Leave". A red arrow points to the "Register as a Covered Person" button.

Below the buttons, there is a link: "Already have an account? Log in".

The next section is titled "To Register as a Covered Person, you need:" and lists the following requirements:

- A mailing address
- An email address or mobile phone number
- Any Racing License with your identification information

Below this list, there is a note: "Please note: While HISA does not have jurisdiction outside of the U.S., international racing participants must register with HISA to race in the U.S."

The final section is titled "I am not a Covered Person. Do I still need to Register?" and contains the following text:

If you are not a Covered Person but you have a horseracing job that requires you to log into the HISA portal, you must Register as a Non-Covered Person. Examples of Non-Covered Persons who must register include, but are not limited to:

- Steward
